<p>Do not dispose of packaging material in the food waste container.</p>	<p>Do not use plastic bags for paper waste. Waste goes straight into the container.</p>	<p>Electronic waste and batteries should be delivered at our recycle stations.</p>	<p>Rinse the plastic in cold water, if required. Plastic that is not packaging, like garden hose, plastic cheers etc. should be delivered as remaining waste</p>	<p>Light bulbs and fluorescent lamps should be delivered at our recycling stations</p>	<p>The fabrics can be well used, but must be clean and dry before delivery. Plastic bags from Iris can be used for delivering clothes</p>	<p>Small amounts of garden waste can be put in the food container. Black-listed plants are residual waste. Read more about black-listed plants at naturvernforbundet.no</p>	<p>At Bodø recycling station at Bodøely we accept only small electronic waste. Items larger than a microwave oven must be delivered at one of the other stations</p>	<p>It is preferred for dangerous waste to be delivered in its original package</p>	<p>Other waste is to be thrown away as remaining waste.</p>
 <p>Brown container for food waste</p>	 <p>Blue container for cardboard, paper and carton</p>	 <p>Black container for remaining waste</p>	 <p>Domestic plastic packaging is to be put in the designated bag from Iris Salten</p>	 <p>Green container for glass/metal packaging</p>	 <p>To be delivered at our recycling stations</p>	 <p>Separate area for garden waste. Attention! Cannot be delivered at Bodø recycling station (Bodøely)</p>	 <p>To be delivered at our recycling stations</p>	 <p>To be delivered at our recycling stations</p>	 <p>To be delivered at our recycling stations</p>
